Detergents

High Foaming - Super Lubricity

Bio-Sudz CP-72

Finally an economical high foaming detergent that does more than just foam. CP-7 will save you money, put on a great show of foam and...clean too!

Bio-Sudz Berry Foam!

A concentrated high foaming detergent with a berry special scent. Customers will love how this product works and remember the scent.

Bio-Sudz JS-40

Super high foaming detergent. Mild formulation highly concentrated.

Power 40

Ammoniated version of JS-40 for extra cleaning power.

Bio-Sudz Hi Phoam

Specially formulated for use with "Frictionless Foam" material. Great cleaning power - super lubricity - high foaming!

Bio-Sudz J.E.T.

Our number one detergent; super lubricity, quality and economy. Also available CHERRY SCENTED.

Bio-Sudz LC DETERGENT

Our most economical high foaming detergent. Dependable cleaner too. JOBE consistency, quality and reliability.

Bio-Sudz BLUE DETERGENT

Super concentrated detergent. Very economical on a cost per car basis. Excellent detergency, foam and lubricity. For operators who want the very best.

Bio-Sudz SUNSHINE DETERGENT

A super concentrated detergent with Silicone for added gloss.

Bio-Sudz CITRUS FOAM

A low pH detergent can enhance

the ability of drying agents to do their job. Citrus Foam Detergent is a concentrated high foaming detergent formulated to meet those needs and yield a clean and dry car.

Bio-Sudz MIGHTY MIKE

"Hyper Concentrated" Detergent: Mix 7 gallons of Mighty Mike to 23 gallons of water to make one 30 gallon drum of concentrated high foaming detergent.

TRUCKWASH

Heavy duty detergent for heavy duty vehicles. Moderate foam for easy rinsing in industrial uses.

Total Reclaim Detergents

(systems where all effluent mixes together and recycled onto the cars)

RC II DETERGENT

Detergent for total reclaim systems. Safe for use even in charcoal filtration systems.

SUPER SUDZ

Ultra Concentrated High foaming detergent for total reclaim systems. Safe in charcoal filters. Excellent foam and body.

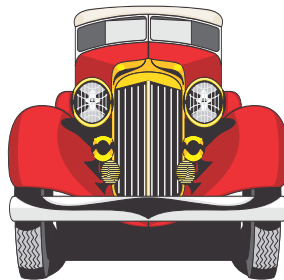

Color Foaming Detergents

Bio-Sudz GOLD, BLUE or PINK BUBBLES

High foaming detergent made specifically to put on a show for your customers. Applied through a foamer at beginning of wash for thick GOLD, BLUE or PINK foam. Available with CHERRY SCENT.

Bio-Sudz BLUE, GREEN, PINK or GOLD SNO

Super concentrated high foaming detergent available in a variety of foaming colors. Also available cherry scented.

Oil Free Drying Agents Triplecoat & Foam Polishes

jobe
www.jobe-industries.com

the Protex System

A Cherry Scented blend of Carnauba, Polymers and a Drying Agent to be applied as the last step in any automated car wash application. Applied through the Jobe Protex Arch as a colorful foam, ProteX is formulated to help dry a car and preserve its shine in one step!

Contains absolutely NO MINERAL SEAL OIL!

Ask us about the Jobe ProteX Foaming Arch! Get a free drum of ProteX when you buy the arch!

Berry Shine!

A concentrated drying agent with the added incentive of fragrant berry. Will dry the cars and fill the air with that very appealing berry scent!

SO DRI!

Ultra concentrated drying agent with "Carnauba" for enhanced shine. Get a dry car for about 3 cents - 15,000 car from one 55 gallon drum! Available with cherry, mint or Lemon scent.

Shining Armor

"Oil Free" Cherry Scented with Carnauba & Silicone!

Over the last several years car manufacturers have introduced clearcoat finishes into car paints in an effort to preserve a car's shine. When cleaning a car, the car wash operator should insure the integrity of that process. Shining Armor is a blend of a drying agent, carnauba and silicones to do just that.

Applied at the end of the wash, Shining Armor will dry and protect that clearcoat finish.

"Oil Free" Super Spray On Concentrate

We made it first! The premier drying agent for automatic car washes. This is the product that made it possible to run an energy efficient car wash. Water beads up and is dried with only minimal help from your blower.

"Oil Free" Lc Spray On Concentrate

Our most economical drying agent. Excellent drying ability at an excellent price. Also available **WILD CHERRY SCENTED**.

"Oil Free" Hi-c Spray On Concentrate

The most concentrated spray on drying agent on the market. Works quickly and thoroughly even on your busiest days. Excellent in car washes with short drip area or as a sealer after applying triplecoat foam or foam polish.

Available also in MINT or CHERRY scent.

"Oil Free" SCENTED HOT WAX

Fresh MINT scent coupled with Carnauba and Silicone in an excellent drying agent.

COLOR FOAMING POLISHES

with Carnauba & Silicone

For Foam Polishers or Triplecoat Applications

Lots of FREE RINSING Purple, Green, Gold, Blue or Vivid Pink foam with Carnauba and Hi grade silicone. Also available Cherry Scented.

Bio-Sudz FOAM POLISH PRO

For extra thick foam!

Want to really put on a show, try Pro Foam Polishes. Available in the same colorful hues as our regular foam polish and contains both Carnauba and Silicone too!

Ask about free signage for our Foam Polishes

KWIK BREAKS

Golden Glow! Plush Pink! Bold Blue!

Used in conjunction with Jobe's Foam Polish or Pro Foam Polish, Kwik Breaks offer high foam coupled with the ability to reduce foam buildup. Perfect where Triplecoat is offered in a short tunnel.

Bio-Sudz "Perfectly" line of Foam Conditioners

Perfectly Blue, Perfectly Pink and Perfectly Gold are quality yet economical options for your Foam arch system. These products contain Carnauba and applied as a colorful foam will enhance the shine on a car surface.

TIRE CLEANERS

POWDERED TIRE CLEANERS

WITE ON WITE

Powdered NON-CAUSTIC tire cleaner. For use, as well, as a pre-soak detergent or to charge other detergents.

SPARKLE

Powdered tire cleaner for automatic tire applicators and steam machines. Safe, effective and economical. Snow white tires and bright hubcaps.

WHEEL & LIQUID TIRE CLEANERS:

WHEEL WASH: An economical alkaline cleaner with the power to clean brake dust and get clean wheelcovers and whitewalls too!

SPARKLER PLUS!

A highly concentrated alkaline cleaner to get both wheels and whitewalls clean.

CITRUS BRITE N WITE PLUS

Made specifically for the tire cleaning problems of the 21st century, this liquid tire cleaner contains NO SODIUM HYDROXIDE. Excellent on either a wet or dry tire, in either hand or automatic application.

LIQUID WHITE WALL TIRE CLEANER

Use as is. Made specifically for hand application. Leaves tires linen white. Extremely economical.

TIREWITE

Can be used either by hand or through an automatic applicator
Dilution varies with use. Economical and effective.

FOAM A WAY

A liquid tire cleaner that competes economically with powders. Theory was you could never get the same mileage out of a liquid tire cleaner because of the water. So much for theory! Jobe has formulated a concentrated liquid tire cleaner that will give you the same economy as your powder without a loss in quality.

TACKLE

Tire cleaner that is safe for use in the self serve car wash where one cycle cleans tires and degreases engines. Ends worry about the customer cleaning his own tires. Also available with GREEN color

TOTAL PREP

Highly concentrated alkaline cleaner. Formulated with specialty surfactants to boost cleaning power. Versatile
Total Prep may be used as a prep detergent too.

GREEN FOAM TIRE CLEANER

All the cleaning power of an alkaline tire cleaner.
All the foam your customers want to see. For use in any foam type tire applicator.

Preps - Presoaks All Purpose Cleaners Wheel & Rim Cleaners

Presoak and Prep Detergents

CITRUS PREP

A concentrated, moderate foaming low pH prep detergent for use in conjunction with Citrus Foam Detergent in a low pH system.

COMPLETE

Can be used in pre-soak arches, prep guns, or as the second step in a two step set-up. Will loosen all surface dirt without stripping the car.

POWER WASH

Powdered pre-soak product. Excellent wetting agent. Mixes easily and completely with water.

TOTAL PREP

Concentrated alkaline cleaner. Especially formulated to loosen heavy buildups of road dirt. Doubles as an excellent whitewall and rim cleaner too.

WITE ON WITE

Powdered, NON-Sodium Hydroxide detergent for use as a pre-soak, tire cleaner, or to charge other detergents.

ALL PURPOSE CLEANER

WASH A WAY

In varying dilutions, this versatile cleaner can be used for virtually everything around the car wash from pre-soak to tire cleaners to engine degreasing, to cleaning in and around the car wash itself.

BERRY KLEAN!

Berry Klean is a versatile all purpose cleaner with a hint of very fragrant berry scent. Great Product! Great Scent!

WHEEL & RIM CLEANERS

BERRY BRIGHT!

A great wheel, rim and whitewall cleaner with a touch of berry that your employees and customers will love.

SPARKLER PLUS!

The newest addition to our quality Rim and Whitewall Cleaners. Concentrated for use by hand or through an applicator.

TOTAL PREP (non acid)

Concentrated alkaline cleaner. Especially formulated to clean brake dust and dirt. Doubles as an excellent whitewall and prep detergent too.

RWC Plus

A very concentrated wheel & rim cleaner for use especially through an automatic applicator. Can be diluted as much as 15 to 1. Safe & ECONOMICAL. Will clean brake dust off the toughest wheels.

FOAM A WAY (non acid)

A liquid tire cleaner that competes economically with powders and doubles as an excellent alkaline rim cleaner. Foamaway is a concentrated cleaner that will give you the economy and results. When applied through a foaming applicator will produce a great foam show too.

ACIDEX

Wire wheel cleaner. An excellent money maker for use on all spoke wheels. Great in detail operations. Can also be used for cleaning in and around the car wash.

QUICKSHINE

Finally a rim and wheel cleaner for handling the toughest buildup of dirt and brake dust. Shines as it cleans!

Ask about our Free QuickShine Signage!

FOR USE IN AND AROUND THE CAR WASH

FULL STRENGTH INHIBITED DESCALER

For descaling equipment and cleaning brick..

SOLV-IT

VOC compliant solvent based bug, tar and general surface degreaser.

PLATE GLASS CLEANER

For all glass and windows in the car wash.

SHAMMY CLEAN

Curtain cleaner and conditioner and foam reducer. For use to reduce increased foam buildup on cloth that may hamper drying.

SPRAYTEK

Undercoat. For undercarriage rust protection.
