|  <p>Dafna Wash-A-Way Scented all-purpose cleaner The One All-Purpose Cleaner for all your cleaning needs. At home, work or in the garage.</p> | (12) Quarts per case (4) Gallons per case | Highly concentrated, multipurpose alkaline cleaner removes a wide variety of dirt, grime and grease. Use for cleaning any hard surface not damaged by water. Do not use on glass. Can be applied with a mop, sponge, brush, or pressure washer. Use in and around the house, office, garage. Ideal for use in automatic scrubbers at an economical dilution rate of one ounce per gallon of water. Phosphate free. Contains no soap, free alkali, or ammonia. Pleasant Berry Scent. |
|  <p>Dafna-tene DeGreaser VOC Compliant An effective, alternative, high-flash-point solvent degreaser for engine or parts degreasing.</p> | (12) Quarts per case (4) Gallons per case | Cleaner and degreaser • Selected low-odor hydrocarbon solvents quickly dissolve and flush away greases, oils and other soils. • Corrosion protection • Leaves a light protective film, effective against rust and corrosion. • Minimizes customer concerns • The elevated flash point provides both an added degree of safety in use and storage. • Versatile • In addition to parts washers, it may be used in mechanical or air-agitation washers, or by hand on your engine. |
|  <p>Tackle Concentrated All-Purpose Degreaser An effective, alternative, high-flash-point solvent degreaser for engine or parts degreasing.</p> | (12) Quarts per case (4) Gallons per case | Dafna Tackle All-Purpose Degreaser will prove to more effective than other leading brands on tough, grease-stained surfaces at a price you will love. Just spray on, hose off and watch grease and grime disappear from your most difficult cleaning surfaces. This super-strength High Performance Cleaner & Degreaser cuts through ground in grease, dirt, road grime and tar and will save you time on tough cleaning jobs by penetrating fast and eliminating the need for extra scrubbing. The industrial strength formula dissolves grease and oil for quick results. |
|  <p>Concentrated Carpet & Fabric Cleaner</p> | (12) Quarts per case (4) Gallons per case | Dafna Carpet & Fabric Cleaner . This concentrated solution meets all of your carpet cleaning needs, simplifying carpet cleaning and maintenance. Dafna Carpet Cleaner & Fabric cleaner may be used "in tank", or as a spotter, or a prespray. |
|  <p>Stain & Spot Remover</p> | (12) Quarts per case (4) Gallons per case | SAFE on most colorfast carpets and upholstery that can be dampened with water. NON - MAGNETIC. Spot will not reappear after cleaning. NON TOXIC, completely non irritating to normal skin. NON FLAMMABLE ODOR FREE, no unpleasant chemical smell. |

When it comes to quality and savings—It's Definitely Dafna!

Now you can buy and sell Jobe's time tested online products in retail pack. The same formulations that have washed millions of cars since 1950 are available for resale to your customers.

Offer your customers the same quality you have known and save them money over the brand names.

Private Labeling available upon request.

|---------|-----------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | (12) Pints with triggers per case (4) Gallons per case | Solv-It clings to vertical surfaces for better cleaning performance. All you have to do is spray on and wipe off to remove bugs, tar and tree sap from all automotive finishes; Solv-It leaves a deep wax shine and a protective barrier to make future cleaning easier. Just spray on and wipe off! For use on exterior car surface only |
| | (12) Pints with triggers per case (4) Gallons per case | Bug Zap will soften up those squished and impacted varnits from your windshield, grill and body. Simply apply, allow to work and then wash car as instructed using a soft brush or microfber towel or mitt. Application to windshield of Dafna's Krystal Kleer will make it easier to remove bugs in the future. |
| | (12) Pints with triggers per case (4) Gallons per case | Water base technology for glass treatment is revolutionary! Most glass treatments contain 75% solvents (not very green) Krystal Kleer is VOC free. Easy to apply. Apply to clean surface and hand buff dry. That's it. Usually very little streaking. If some streaking occurs it can be easily buffed. Lasts 3-6 months. Non-flammable. |
| | (12) Pints with triggers per case (4) Gallons per case | Spearmint scented non-aerosol window and glass cleaner. Quickly removes dirt, dust, and oily grime that soap and water can't remove while leaving a streak free shine. Contains no ammonia, is non-abrasive, non-foaming and non-streaking. Safe to use on all glass surfaces in your car or home. |
| | (12) Quarts per case (4) Gallons per case | WaterFree is an easy and better way to maintain a vehicle. As a detail product, WATERFREE does not require the use of water, hoses, buckets or car wash detergents. There is no time consuming drying process involved. Each application of WATERFREE leaves a thin layer of natural wax that fills in small scratches in the paint and bright work. This layer acts as a protective barrier against tree sap, bird droppings, and other road hazards such as road tar. Routine use of WATERFREE, in most instances, eliminates the use of automobile polishes thereby saving valuable time and energy. |
| | (12) Pints with triggers per case (4) Gallons per case | Wipe on/wipe off cream car body wax. Safely cleans and shines all car finishes. Provides long lasting protection. Detail-It Cream Wax is formulated to revive car finish without harming the paint. Safe for metallic, enamel, and Clearcoat finishes. Bonds to the car surface with a mirror like shine. Apply Creme Wax & Polish and rub, in a circular motion, onto your paint. Let it sit for 5 minutes and then wipe off with a separate microfber towel. Buff to a beautiful shine. |
| | (12) Pints with triggers per case (4) Gallons per case | A quick & easy way to put a shine on your car. Directions for use: Shake before using. Wash and dry car surface. Use as is, spray generous amount of Quick Wax & Shine to surface. Using a clean towel or microfber towel wipe on and buff to shine. |
| | (12) Quarts per case (4) Gallons per case | Foaming detergent to wash your car and give it a just detailed, showroom shine. Designed to clean and condition paint in one step. Formulated with silicone and polymers for added gloss. Cleans car body without stripping wax protection. Concentrated. A few ounces in a bucket will give you rich foam loaded with cleaning agents and ultra-rich paint conditioners. 100% Biodegradable & Earth Friendly Ultra Concentrated Polymer Detergent |
| | (12) Quarts per case (4) Gallons per case | Economical Biodegradable pH balanced Safe for clear coat and fiberglass gel coat Super concentrate provides more washes per bottle Can be used in hard or soft water |

| | (24) 8 oz. bottles with pump sprayer per case | In the early 1990s, perfume makers began to introduce vanilla as a significant note in their fragrances. Now, vanilla is a dominant ingredient. Various attempts have been made to explain the current unprecedented popularity of vanilla-based fragrances. Many have tended to focus on the pleasant childhood memories associated with the smell of vanilla, its comforting milky warmth. Others have noted the appropriateness of vanilla scents for the softer, more caring zeitgeist of the past. Dafna uses the finest extract of Vanilla to make it's Very Vanilla Super Scent! Where Can Super Scent Be Sprayed? In the interior of cars, SUVs, trucks, limousines, buses, boats and more. *Includes spray nozzle *eliminates unpleasant smells and odors *long-lasting water based car scent |

| | (12) Pints with triggers per case (4) Gallons per case | The unique odor neutralizing formula is designed to penetrate deep into the fabrics where odors get trapped. Scensible neutralizes odors on fabrics rather than simply covering them up. Scensible Odor Neutralizer is designed to clean away both organic and non-organic odors on fabrics that cannot easily be washed. You simply spray Scensible Odor Neutralizer evenly onto the fabric until it becomes slightly damp. The Scensible formula begins immediately, penetrating into the fabric and cleaning away odor molecules, and completes its work as the fabric dries. Scensible Odor Neutralizer is safe to use on virtually all fabrics and is great for car interiors, carpeting, clothing & canvas shoes. |
| | (12) Pints per case (4) Gallons per case | Dafna Tire Gel is a water-based products that delivers long-lasting, intense shine without annoying overspray, drips or mess! The smooth, concentrated gel application delivers consistent results for even gloss and deep shine. Engineered to reduce sling, the gel formula helps protect against tire fading and cracking to ensure tires always look great! Contains no Solvents!! |
| | (12) Pints with triggers per case (4) Gallons per case | Hi-Shine Tire Shine is an easy to use - LONG LASTING - Tire Shine product. You will be so impressed you will want to put your tires on a pedestal for all to see! |
| | (12) 20 oz cans per case | FRESH FRAGRANCE - FEATURES A 360° VALVE LARGE 20 OUNCE CAN - NON-FLAMMABLE, SAFE ON TINTED WINDOWS Clearvue is a light foaming cleaner that can be used on glass and many other surfaces.
